IDENTIFIED PLAYER PROGRAM SCHOOL FEES

Sports College South Australia (SCSA), in partnership with AUFC, has an Identified Player Program at Playford. The school fees for 2027 will be **$6,215** for identified players playing at a high level and invited by AUFC or SCSA. Note: AUFC will determine all offers of a place, including full scholarships.

Confirmation Fee and Enrolment Deposit: All families are required to pay a $100 confirmation fee and, upon acceptance of a place at the college, are required to pay an Enrolment Deposit of $300 (Total payment of $400 is due upon completion of the online Enrolment Contract, payable by credit or debit card).

2027 Fee Statement: We will send a statement outlining the 2027 fees to all families in mid-November 2026, along with a link to the Community Portal. Through the portal, you can select your preferred payment method (direct debit or credit card) and choose your payment frequency. Direct debits will begin from 1st December. You can also view your account statements and fee balance on the portal.

If you decide not to commence at SCSA, you must notify us by email (info@sc.sa.edu.au). If you withdraw after 30 November 2026 but before commencement, a $900 cancellation fee will apply. The second year of school fees will automatically transition to the next year's fee structure, and details will be sent to parents at the beginning of term 3.

Tuition fees: include all tuition costs, everyday uniform, all excursions, camp fees, VET accreditation, school photos, student accident insurance, and yearbook and graduation ticket for students.

Extra-curricular charges: the following charges are payable in addition to tuition fees:

- Optional interstate trips
- Additional uniform purchases (outside of your allocated pack)
- Notebook repairs (not covered by warranty) / accessory replacements.

Bring Your Own Device (BYOD): SCSA operates a BYOD program that enables students to use their own laptop for learning. The BYOD program supports digital literacy, encourages student independence and provides continuity of learning between school and home. To assist families, SCSA will provide access to a purchasing portal where recommended devices can be purchased at discounted prices.

Recommended device specifications:

- Windows - Windows 11, 16gb RAM, 256gb or 512gb SSD
- MAC - macOS 16 or 26 Tahoe, 16gb RAM, 256gb or 512gb SSD

We provide further information, including purchasing details and the BYOD process, to families in mid-September. Please note that the BYOD program applies to new students commencing in 2027.

The following **Scholarships** can be applied for:

- **Leadership & Impact Scholarship:** Students must meet the following criteria.
  - Demonstrated leadership potential (formal or informal roles).
  - Demonstrated impact (positive change, service, mentoring, initiative, or ambassadorial contribution).
  - Willingness to uphold high standards of behaviour, attitude, commitment, and representation of the College and partners.
- **Equity Scholarship:** SCSA aims to support motivated students to both gain entry into and thrive, regardless of their background and individual circumstances. Please note: All scholarships apply to tuition fees only and do not apply to ADP fees or any other fees and charges associated with enrolment at SCSA.
